

CONTENT FORM

Each submission for each content stream requires a separate content form. For example, if you want to showcase 2 Case studies and 1 Interview this would require 3 content forms.

Submissions must be accompanied with a poster image ideally at least 1280 x 960 pixels and should be in JPG format. Further images may also be attached to your submission or sent by WeTransfer.

Please choose which content stream you like this submission to be featured in:

Case Studies

Interviews

Latest Work

Thinking

Title:(must include agency name and title of submission)

Introduction: (approx. 300 **characters** max including spaces - introductory description of submission)

Copy: (unlimited word count – if you require images to support the text in this section please outline this clearly by labelling the image and writing the image name just after the section you would like it displayed under)
