WHAT WE DO

We are a social mobility organisation, empowering Black and racially underrepresented young people through opportunities to maximise their potential.

Over **10 weeks**, for young people aged **18-30**, our award-winning personal development programme will help you figure out who you are, and who you want to be. **We'll give you the tools to define your own success, and then go out and get it.**

Take the next steps in enhancing your career. Open yourself up to a network of like-minded individuals, professional mentors and exclusive opportunities with our partners.

KNOW YOURSELF. OWN YOUR FUTURE.
